Together

WE WILL OVERCOME
THE SARS-COV-2 VIRUS

The Pasteur Foundation Asia needs your help to support research on SARS-CoV-2 in the laboratories of the Institut Pasteur International Network. In Hong Kong, in Asia, in the world.

Donations will strengthen the response of HKU-Pasteur Research Pole and the Pasteur Network to the enormous challenge posed by the pandemic of SARS-CoV-2.

RESEARCH
SHARING
TEACHING

Help us

- to fund current research on the **SARS-CoV-2**;
- to support laboratories in Low and Middle Income Countries to raise to the challenge to overcome the pandemic;
- to expand our teaching ability and to prepare future generations of scientists through more than 15 years of expertise in teaching with the **HKU-Pasteur Research Pole**.

In Hong Kong

In Asia

In the World

The Pasteur Foundation Asia supports responsible research that will fill critical knowledge gaps, develop new tests to estimate the extent of the pandemic and share information and resources throughout the Pasteur Network.

Your donations will allow technology transfer and sending material in the Asia-Pacific region and where people need them most.

HOW TO DONATE

You can donate to the Foundation via our website, for general donations or monthly donations, by cheque or through bank deposit.
